What makes a private yacht cruise with Holiday of Magic different? Our clients tell us that our tour is simply the best cruise on the bay — offering the widest range of custom itineraries, menu selections, services, entertainment, and price range. Cruise Director Ed Sparrow — a well-known celebrity with over 20 years in the entertainment business — owns, operates and personally hosts each and every cruise. His famous 'Mansions of the Stars' cruise brings guests up close to homes of Miami's famous residents, including Julio Iglesias, Gloria Estefan, Ricky Martin and Rosie O'Donnell — just to name a few.
