## VESSEL INFORMATION::

The 80' Solstice represents the ultimate in luxury and style for up to 49 guests. The Solstice is truly a unique vessel offering unparalleled service on the water. Guests are greeted by a luxurious salon, spacious dining room, full galley with high-end stainless steel appliances, as well as the capable helm. Below deck, in the accommodation level, there are three superbly decorated staterooms as well as five heads all finished in marble and Birdseye maple.

For guests wanting to enjoy the outdoors, the Solstice offers wonderful alfresco areas to be enjoyed. On the main level, there is the spacious bow with large comfortable sun pads and bench seating, while on the expansive fly bridge, there is a combination of covered seating areas as well as the completely open aft area, perfect to stretch out on a teak lounge chair while basking in the South Florida sun.
